

# Save the Date

**Thursday  
June 26, 2008  
7 pm**

**The New Bedford Harbor  
Superfund site's** fifth season of  
dredging is coming up.  
Come learn how PCB  
dredging works and ask any harbor  
cleanup questions you may have.

Spanish & Portuguese interpreters  
will be available.

**New Bedford Public Library  
613 Pleasant Street  
New Bedford, MA**

This meeting space is fully accessible.
